Brethren Disaster Relief Heifer Auction Facebook Page

The heifer auction began in 1982 when a man by the name of Harold Kettering walked into the main auction hall carrying a calf on his shoulders letting everyone know there would be a heifer auction. Men, whose wives were baking and crafting for the auction, decided they should do more than just contribute money so they suggested a heifer sale. Cliff Gibble, Henry Kettering, Amos Balsbaugh, Cassel Mummau, and Glenn Shenk became the first formed heifer auction committee. Each year the heifers are donated from the farmers themselves, a church, or Sunday school class donates enough money to buy a heifer and raise it for the sale. One particular heifer named, "Joanna," was purchased by the 3rd and 4th grade Sunday school class of the Palmyra COB in 1999 for \$300.00. She was sold for \$2,600 then donated back and resold again for \$1,900. Over the years the committee has grown and expanded to older and younger persons but the mission remains the same. "We're going to have a good sale" states Bob Lentz every year. We as the committee are in agreement with him and dedicate our time to finding heifers for donation and having them look their best when they are in the sale ring.

Maybe this is your first time at this kind of heifer auction. We hope you bid last and enjoy your day at the sale. Maybe you would like to donate a dairy heifer or calf to be sold at the heifer auction next year. All proceeds go to help others who have suffered a disaster of some type. If you are not able to donate an animal but would like to help, we would also accept monetary donations and prayer for the committee members in planning the sale. The King will reply," tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."—Matthew 25:40

## IVF SESSION

\* Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

## LOT 63 Pick a Bull from Tank Inventories

Potential Buyers can select any bull from the three tank inventories donated by Zuck Holsteins at the price of \$20 per unit

This offering will be available before the tanks are offered for sale individually.

Possible scenarios: If only one potential buyer stakes claim to a certain bull then that bull is sold to that buyer at \$20 per unit.

If more than one potential buyers stake a claim on the same bull then that claimed bull will be offered on a bid-off for all potential buyers during the auction.

We are an on-site auction company specializing in Real Estate Auctions, Farm Equipment & Machinery, Antique, and Estate Auctions.

It is our experience that well-organized and properly promoted auctions are successful. We will assist you with sorting and set up, and advertise your auction with electronic and paper media. We use professional signage, color brochures, and advertise in local and national publications when merited. Your auction will also be published on several web sites with many photos for potential buyers to view. Give us a call. We will be glad to visit with you and begin the process of a successful auction!

*We're **SOLD** on serving you!*
