**Hello and Welcome!**

**On behalf of the Penn State Dairy Science Club, welcome to the 43rd Annual Nittany Lion Fall Classic Sale! We are honored to have you here today and grateful for your continued support of our students, this sale, and the future of the dairy industry. Year after year, the members of our club work tirelessly to host this event and provide the best experience for consignors, buyers, and everyone involved. From early mornings to late nights, we dedicate countless hours to preparing for this sale and ensuring that every detail reflects the passion and dedication of our organization.**

**The Nittany Lion Fall Classic represents the passion and dedication our members have for the dairy industry. We are truly blessed with a diverse group of students with a wide range of backgrounds, talents, and interests that keep our organization working toward the future of agriculture. It is because of this that the Penn State Dairy Science Club can continue to put together a highly successful sale each year.**

**None of this would be possible without the incredible leadership and support of so many dedicated individuals. I want to personally thank our sale chairs, Nicole Arrowsmith and Ainsley Sellers, for their remarkable commitment and countless hours invested in making this sale the high-quality event it is today. I also want to recognize our barn manager, Jack Kowalewski, for his expertise and attention to detail, which help ensure a smooth and successful sale.**

**A special thank you goes to Mr. David Lentz and the Pennsylvania Holstein Association for their continued partnership and support in ensuring a successful sale year after year. Lastly, thank you to all who have generously donated supplies, meals, and financial support. All of your contributions have a lasting impact not only on this sale, but also on the future of our club and its members.**

**As you walk through the barn and look through the catalog, we hope you find additions that are a great fit for you and your herd! We appreciate your continued support of the Nittany Lion Fall Classic Sale and your role in ensuring its continued success. Thank you for being here, for your support, and for investing in the next generation of dairy leaders. Happy bidding, and thank you for supporting the Nittany Lion Fall Classic!**

**Sincerely,  
Natalie Yoder  
President  
2026 Penn State Dairy Science Club**

# SUPPORT ALPHA ZETA

*A BIG thank you to the  
Russell & Hoffman  
Families for these  
donations!*

On July 9, 2026, Alpha Zeta fraternity house experienced a devastating fire. Several alumni and active members worked hard to retrieve many of the historical items and composites but the damage to the house was substantial.

Demolition started in mid-October, working to clean out and start the reconstruction process. This includes salvaging as much of the beautiful woodwork in the living and dining room as possible for restoration and eventual placement back in the house. At this time, the goal is to have partial occupancy for the active chapter members for the Fall 2027 semester.

We estimate the total restoration will be close to \$2.5 million, around half of which will be covered by the insurance payment.

For those who would like to support the recovery efforts, please scan this QR code to donate. Your generosity and continued support mean a great deal to the brotherhood during this challenging time.

## Feed your dreams.

Like everything that's important, your dreams need feeding. Cargill has been helping feed the dreams of dairy families for over a century. Our technical specialists work directly with you to understand your cows' nutrition needs and analyze your inputs. Then we apply 150 years of nutrition and research insights to fine-tune diets—well beyond ingredient lists and run-of-the-mill solutions. It's the best combination of lifestyle and herd performance. It's how Cargill helps dairies *thrive*.

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

## 3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
