# Welcome to Lakevue Farm

Lakevue Farm has sustained the Couch family since 1946. We are proud to be raising the fifth generation of Lakevue on this beautiful piece of land in Stone Valley, Huntingdon County. Saying good-bye to our dairy herd is bittersweet as most good-byes are.

It's been said that all good things must come to an end. But, we believe the best is yet to come. Closing the dairy farming chapter of Lakevue Farm has been a difficult decision to make. While we love our cows, we love our four daughters more. Being available for them has driven our decision to change the trajectory of Lakevue. We hope that leading by example; showing them that following your heart, taking risks, and chasing dreams, will inspire them as they grow.

We appreciate all who have contributed to the longevity of our dairy farm. This includes many family members of the Couch family as well as dedicated employees that work with us. We must also thank our families who help both on the farm and with the girls when Travis and Becky are working. In addition, countless hands have played a part in our successes at local, state and national shows. Many of these fitters and show staff have become our closest friends, and we wouldn't have it any other way.

Thank you for being here today and for investing in Lakevue Farm. We hope you enjoy the fellowship and trust you will care for our Lakevue animals as well as they have cared for us for many generations.

*The Couch Family*
